Closing Prayer

Welcome!

Welcome to Hayden Heights Baptist Church! We believe you will discover that our fellowship is truly a family, rich in the relationships that matter most. If you've been praying, searching and hoping for a place to belong, we want to say again—welcome!

We would love to hear from you and provide you with information on specific ministries. Please fill out a Communication Card and drop it in the offering plate or leave it on the table at the back of the sanctuary. If you have questions or concerns, please ask a greeter or an usher who'll be happy to help.

Our nursery staff provides safe and loving childcare for your babies and toddlers so you may participate in our worship services. The nursery is located on the first level.

Do you have questions about baptism or church membership? Please contact a pastor or deacon or call the church office.

Do you have a prayer request or an item of praise? We'd like to include it in our weekly Prayer Priorities. You may call the church and give your request to Debbie, leave a message on her voicemail or email your request to dbarnes306@gmail.com by 9:00 a.m. Wednesdays.

Taped copies of today's message are available. Pick up a tape request form in the foyer and leave it in the church office. Tapes will be ready to pick up on Tuesday.

Missions Focus

Bob & Marcia Flaa - Teaching at Grace International School in Thailand

Praise God for productive meetings this summer as they assisted ministries in different parts of Thailand through teaching English.

Praise God for the open door that exists in Thailand to share the Gospel. Schools desire to see their students improve their English and will allow them to teach Bible stories and share freely as long as English is being taught.

Praise God for a period of relative peace in the country. Political issues have died down a little.

Praise God for continued good health; Alex caught dengue fever this summer, but it was a mild case and he recovered fine. This is the first incident they have had in three years.

Pray for wisdom for the leaders of the school as they make decisions regarding the future site of a new campus. Money will need to be raised to build a new school.

Pray for continued progress in learning the Thai language.

Pray for wisdom for Marcia in deciding what areas of ministry to best use her gifts and talents.

Pray for the school staff to be united in their mission and work together to bring glory to God.

Pray for meaningful spiritual times for their family as Bob and Marcia disciple their children.
